

Xerox® Phaser® 6510 Colour Printer and Xerox® WorkCentre® 6515 Colour Multifunction Printer

Above and Beyond for Business

Pursue relentlessly. Produce effortlessly.

That's the way to build your business. Introducing the Xerox® Phaser® 6510 Colour Printer and Xerox® WorkCentre® 6515 Colour Multifunction Printer – ready to work right out of the box. Fantastic image quality, easy connectivity, built-in productivity and reliability you can count on, at a price that won't break the bank.

Extreme Connectivity

Our devices are ready for the way you work, right out of the box, and DNI configurations come standard with Wi-Fi connectivity for untethered mobility and the freedom to put your device right where you need it. Our new Wi-Fi® installation wizard and Wi-Fi Protected Setup™ (WPS) make getting connected secure and super simple. And, with Wi-Fi Direct®, mobile devices can connect directly (and securely).

- **Ready to pair.** Now you can easily connect to mobile phones, tablets and other enabled devices with Near Field Communication (NFC) Tap-to-Pair¹ – the same technology behind Apple Pay® and other mobile convenience apps.
- **Upwardly mobile.** Print emails, photos and important documents from a wide array of mobile devices, instantly, and without complicated setup with Apple® AirPrint®, Google Cloud Print™, Xerox® Print Service Plug in for Android™ and Mopria®.

Spectacular Image Quality

Whatever your business, you'll put your best face forward with our newest innovation in colour image quality.

- **Tuned up toner.** Both the Phaser 6510 and WorkCentre 6515 use our new Xerox® EA Toner formulation, which has been re-engineered for enhanced dot reproducibility and less toner waste. And because it melts at lower temperatures, it saves energy too.

- **Stunning resolution.** Smaller toner particles translate to finer details, and with 1200 x 2400 native dpi, your printed materials will capture attention and project polish and panache.
- **Colour correct.** PANTONE® Colour-approved solid colour simulations and Xerox® colour correction technology ensure results that match your expectations.

Commanding Performance

Get a handle on day-to-day workloads with the powerful performance your business needs to grow and thrive.

- **Multifunction productivity.** The space-saving WorkCentre 6515 Colour Multifunction Printer helps you conserve energy and reduce supplies costs by combining the functions of a copier, printer, colour scanner and fax into one affordable device.
- **Outstanding performance.** With a monthly duty cycle of 50,000 pages and print speeds up to 30 ppm, both devices are perfectly positioned to support the demands of your growing business.
- **Print more for longer.** An optional second paper tray lets you load an extra 550 sheets at one time for extended interruption-free printing.
- **Save time.** The WorkCentre 6515 simultaneously scans both sides of a two-sided document at up to 37 impressions per minute.

- **Scan savvy.** Scan preview lets you see your scanned file before you send it. Remove unwanted pages, check accuracy and save valuable time – a solid boost for productivity.

Time-Saving Taskmaster

Time is money, and these devices are purpose-built to save both by simplifying and automating profit-killing, time-consuming tasks.

- **Touch and go.** Our latest colour touchscreen interface offers an app-based, tablet-like user experience with gestures and multi-touch interactions. Customise it to match your workflow and navigate with intuitive, smartphone-like swipes and gestures.¹
- **Cloud-connected cohort.** With just a few simple steps, your multifunction printer is ready to scan or print directly to or from the cloud.² Scan to Email, FTP, Network or somewhere more down to earth – like the integrated front and rear panel USB ports.
- **Easy management.** Our redesigned Embedded Web Server is easy to use and responsive, so you can easily manage your printer or multifunction printer at your desk or on the go.
- **Stay secure.** Keep your sensitive documents away from unintended recipients with the latest security features, including IPsec, SNMPv3, IP filtering and secure print.

¹ WorkCentre 6515 only

² Requires support for Xerox® Mobile Link App for IOS® or Android™, available early 2017.

Eye-popping colour. Delectable detail.
A perfect recipe for business success.

Built to Accelerate Business

The Xerox® WorkCentre® 6515 Colour Multifunction Printer builds on the outstanding print performance found in the Xerox® Phaser® 6510, with powerful productivity tools designed to make running, keeping and building your business easier and more efficient than ever.

Phaser 6510

WorkCentre 6515

1 A 50-sheet single-pass duplex automatic document feeder handles media sizes from 5.5 x 5.5 in. to 8.5 x 14 in. / 139.7 x 139.7 mm to 216 x 356 mm. Powerful scanning features include the ability to create searchable PDFs with integrated optical character recognition (OCR), as well as Scan to Email, Network Scanning and Direct Scan to Applications.

2 The WorkCentre 6515 includes our latest multi-touch interface for a mobile-like user experience.

3 A front-side USB port allows users to quickly print from or scan to any standard USB memory device.

4 The adjustable 50-sheet Bypass Tray accepts custom media sizes from 3 x 5 in. to 8.5 x 14 in. / 76 x 127 mm to 216 x 356 mm.

5 The 250-sheet Tray 1 accepts custom media sizes from 3 x 5.8 in. to 8.5 x 14 in. / 76 x 147 mm to 216 x 356 mm.

6 An optional 550-sheet Tray 2 increases the total capacity to 850 sheets for more uptime and uninterrupted print runs.

Colour Counts

Research proves that colour commands attention.

82% The amount of increase in attention span gained by colour.

80% The gain in readership when colour is used.

39% The increase in memorability when compared to black and white.

55% The added likelihood a piece of mail printed in colour will be picked up first.

To see all the ways colour commands performance, visit www.xerox.com/ColourCounts.

Xerox® Mobile Link App¹

Scan, email and fax from your phone or tablet by connecting with our multifunction printers using this free app. Send data to and print data from cloud storage and create one-touch workflows between a mobile device and a multifunction printer. For more information, go to www.xerox.com/MobileLink.

¹ Available early 2017
