

# XEROX® MULTIFUNCTION PRINTER

Upgrade to higher productivity.

**B1025**

# Xerox® B1025 Multifunction Printer

The Xerox® B1025 monochrome multifunction printer (MFP) is easy on the budget without sacrificing the features and connectivity you need to reach your full productivity potential. With a space-saving footprint, all-in-one high-speed print and scan – and the mobile print capabilities today's businesses demand – everything is easier.

## DOWNSIDED FOOTPRINT. UPSIZED CAPABILITY.

You won't believe how much more you can do with less. The Xerox® B1025 replaces multiple devices with a single, compact multifunction printer that does more than all the others combined – while delivering output in paper sizes up to Tabloid/A3.

## ADVANCED FEATURES

With optional wireless connectivity, you'll have the freedom of untethered mobility and the convenience and flexibility to put your printer or multifunction device right where you need it. Our Wi-Fi® installation wizard and Wi-Fi Print Setup (WPS) make getting connected secure and simple.

## UPGRADE PERFORMANCE AND PRODUCTIVITY.

The space-saving Xerox® B1025 helps get more done with less hassle – conserving energy and reducing costs by combining the functions of a duplex copier, printer, colour scanner and fax<sup>1</sup> into one affordable monochromatic device.

**Outstanding performance.** With up to 1 GHz of processing power and 1.5 GB standard memory, you'll see your first print fast and get print speeds up to 25 ppm.

**Print more for longer.** An optional second paper tray lets you load an additional 250 sheets for extended interruption-free printing.

**See the difference.** Your documents will show exceptional sharpness with up to 1200 x 1200 dpi image quality.

## WALKUP SIMPLICITY

An interactive touchscreen interface provides simple, intuitive operation of every function, whether you're printing, scanning, copying or faxing<sup>1</sup>. Fine-tune output to suit your needs or rely on easy, automatic settings for consistent quality on every print.

**Wherever, whenever and however.** Scan to email, or scan-to and print-from a USB memory drive at the device. You can even print directly from the cloud with a few simple steps.

**Easy management.** With Xerox® Embedded Web Server, remote device administration is easy – right from your computer's browser.

**Stay secure.** Keep your sensitive documents away from unintended recipients with the latest security features, including AES 256-bit encryption, SNMPv3, IP Filtering and Secure Print.

<sup>1</sup> Fax is optional.

**CHOOSE THE OPTION BEST FOR YOUR BUSINESS.**

**1 The 100-sheet Duplex Automatic Document Feeder (DADF)** scans two-sided black and white or colour originals for copy, scan and fax<sup>1</sup> jobs. The Platen Cover (not shown) is offered as a configuration option.

**2 An easily accessible USB port** allows users to quickly print-from or scan-to any standard USB memory device.

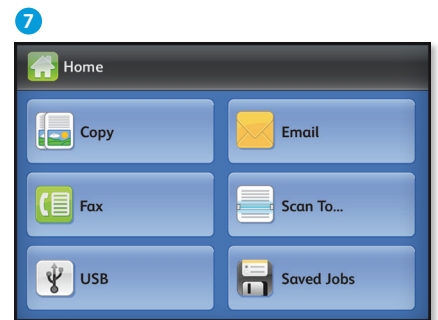

**3 A 250-sheet output tray.**

**4 The 100-sheet Bypass Tray** handles media sizes from 4.92 x 4 in. to 11.69 x 17 in./125 x 102 mm to 297 x 432 mm.

**5 The standard 250-sheet Tray 1** handles media sizes from 5.83 x 7.17 in. to 11.69 x 17 in./148 x 182 mm to 297 x 432 mm.

**6 The optional Additional Tray** holds 250 sheets of 5.83 x 7.17 in. to 11.69 x 17 in./148 x 182 mm to 297 x 432 mm, increasing the maximum paper capacity to 500 sheets.

**7 The Xerox® B1025 features a larger 4.3-inch colour touchscreen interface** for added simplicity.
